

Account Object

Last Modified on 10/12/2020 7:16 pm EDT |

The GET LIST call is the only call available for the Account object. Resellers can create new accounts (contact onboarding@sgizmo.com to learn more).

V4 of Alchemer is an older version of what is currently in place. We **strongly recommend** exploring V5 of the API.

GET LIST - Get a list of all of your teams.
